

## QUARANTINE AND ISOLATION CENTER VOLUNTEERS

Quarantine and Isolation Center volunteers are critical to the county's COVID-19 response. Volunteers support guests who are staying at the center because they are not able to safely quarantine or isolate at home. The Q/I Center is located at the beautiful Pilgrim Firs Conference Center near Port Orchard. Volunteers are provided with safety training and personal protective equipment when on site and can choose how often they want to work. Volunteers must be over the age of 18 with full mobility.
