

COVID-19 and the Severe Weather Shelter Program

The Kitsap County Severe Weather Shelters provide a place for those who have no place else to go when strong weather conditions exist. This program is a partnership between Kitsap County Human Services Housing and Homelessness Division (KCHHD), Kitsap County Department of Emergency Management (KCDEM) and the organizations which host the shelters.

The Severe Weather Shelters serve anyone in our area who requires safe overnight refuge when hazardous weather conditions are expected. Special measures are being taken at the shelters to prevent the spread of viruses, including COVID-19. One can call 2-1-1 for information about the Severe Weather Shelter Program and details on how to receive text message notifications when the shelters open.
